My Dear Col. Boalt Shell

Much comment is on
the rounds here & in New York
regarding a recent statement
that you have in the Mint a
large number of Columbian half-dollars,
that you have declined to send to
Chicago, for some good reason.
In order to save me a journey
to Phila. & a personal interview,
would you kindly send me a
free, by mail, a statement as to
the matter? I hope this is not
too great a favor to ask.
With best wishes for a pleasant
summer, Yr Obt H. E. Rood
